2019 AUSTRALIAN WATERPOLO LEAGUE CAP AND BATHER SPONSORSHIP

We are pleased to invite you to support our Men's and Women's teams in the 2019 Australian Waterpolo League (AWL) season as a Cap and Bather Sponsor.

Cap and Bather sponsorship assists the players to meet their travel and accommodation costs for the upcoming Australian Waterpolo League season, and FREMANTLE WATER POLO is seeking support for its players in raising their Cap and Bather Sponsorship for the 2019 playing season.

Fremantle Water Polo has grown out of the Melville Water Polo Club and includes Dolphins and North Coast water polo clubs in the Fremantle conference.

Fremantle Water Polo competes in the Australian Waterpolo League (AWL), fielding teams since 1992, and now has the most successful Men's and Women's teams in the history of the AWL. Fremantle's Men's (Mariners) and Women's (Marlins) teams have claimed multiple AWL championships and produced many Olympic and national representatives. Water Polo is the longest running Olympic team sport, and is played globally.

Our teams and support staff are training hard in preparation for the demanding 2019 schedule, which will again be very competitive. Your support is crucial to providing the opportunities for our elite and emerging athletes to compete in the premier club water polo competition in Australia, and enable these teams to enhance our Club's record of success.
